State Prohibition Convention

Thirty-two leading temperance workers in Utah have signed a call for a big state wide prohibition convention to be held in Salt Lake City next Monday. After telling of the desirability of organizing the anti-saloon forces and getting ready for the fall campaign. The call goes on to say:

"The latest big success is reported from West Virginia, the governor writing that after a few months of actual prohibition 'the results are marvelous to everybody, even 'wet' now supporting the new regime."

The following neighboring states vote on the question of state-wide prohibition this year: Colorado, California, Washington, Oregon and Idaho.

The move for an amendment to the federal constitution in favor of nation-wide prohibition is gaining impetus every day.

Under these favorable auspices we believe that the present is the time for more systematic, co-operative, and energetic work in our own state. We therefore cordially invite you to meet in convention at Salt Lake City, on October 5th, at Barratt Hall, 4:15 p. m."

TEACHERS OF TWO COUNTIES
TO HOLD INSTITUTE

An institute of all the school teachers of Utah and nab counties will be held at Spanish Fork October 9th and 10th.

Through the efforts of County Supt. J. Preston Creer, Dr. John R. Kirk, president of the State Normal School of Missouri, will attend the institute and be the principal speaker. Dr. Kirk is one of the educators who visited through Utah county during the N. E. A. convention at Salt Lake City two years ago.

Other speaker of note who will attend the institute are: Dr. George H. Supt. D. H. Christensen of Utah, Salt Lake City Schools, Prof. Mosiah Hall, Miss Elizabeth Qualtrough, Primary Supt. of the Salt Lake City Schools.

ARE YOU GOING TO VOTE?

The election next month is a most important one. Many who will want to vote are not yet registered. If you did not vote two years ago your name is not on the lists. To have registered for the City election one year ago is not sufficient, the county election is what counts.

There are four more days yet remaining in which to register, October 5, 6, 13 and 27.

OCTOBER 20TH, APPLE DAY

Tuesday, October 20th, has been set apart for Apple Day all over Utah and on that day the Utah raised apples will be "king." In every locality where the luscious fruit is raised the displays will be held.

The movement for a special day for apples was started by Salt Lake Commercial club a year ago and it was very successful. Utah apples were eaten by the people and pronounced the best ever. This year all say "It will be better than ever."

LIST OF WINNERS M. I. A. FAIR

Many Given Prizes and Ribbons—
Ward Contests to be Decided After
Final Checking Has Been Made.

The M. I. A. and School Fair closed Saturday night with an auction of thirty cakes which brought the total receipts up to near the \$400 mark. The bills have not yet all been itemized, but it is thought that about one-half of this amount will cover the expenses. If the committee had but come out even, the fair still would have been a great success because of its educational value.

Many improvements could be made if another fair were held, and many leading citizens say that those who so successfully conducted this one should make notes of changes suggested, and commence at once laying plans for another one next year. Messrs Junius Banks, Heber Bension, Wilford Warnick, Hyrum Johnson, Thomas Broadbent, Irving Pratt, Mess. James Annie Stookey, Alice Ross, Eleanor Blackhurst, Cleone Kirk, Miss Nellie Buckwalter and Miss Amy Walker, together with many other M. I. A. Workers and school officials who assisted, are to be highly recommended for the way in which they handled the affair.

It was difficult to make the awards in many cases so even were the contests. In many instances the awards have not yet been made, and cannot be till the final crops have been harvested and all the data has been the separate town awards, yet been made.

In the Y. L. M. I. A. ward booths, the first prize was given to the American Fork Third Ward; the second prize was given to the American Fork Second Ward, and the third was decided between the First and Second Wards of Pleasant Grove. The judges had much difficulty in deciding between the different booths, so nearly equal were they, merit and arrangement.

Mr. Clausen Cannon, who placed the other animals, is a teacher of Animal Husbandry at the A. C. and was judge at the Cache Valley Fair last year. He is one of the most prominent live stock men in our state.

INTERURBAN THEATRE TRAIN

In the near future the Interurban car arriving in Pleasant Grove, American Fork and Lehi at 7:00, 7:06 and 7:12 will be advanced about 25 minutes earlier. It will be known as the "theatre car," and the change is being made to enable Utah county people to arrive in Salt Lake City in time to attend the theatres.

George Arliss in "Disraeli"

the Salt Lake Theatre Conference Week.

The appearance of Geo. Arliss and company, under the management of the Liebler company, in Louis N. Ker's famous comedy "Disraeli," at the Salt Lake Theatre during Commence Week, beginning Monday, October 5th, promises to be one of the most important and interesting engagements of the season.

Mr. Parker might never have written this famous play had not the wit and personality fitted its titular hero. It was the personality of Mr. Arliss, too, that determined the person of Disraeli's life to be dealt with the play. In writing the comedy Mr. Arliss, it is the bland, quizzical Machiavelli of the Conservative party, the Disraeli of later life, that dealt with.

The production of "Disraeli" is said to be elaborate scenically, particularly the brilliant last act, which represents the reception hall in Downing street, just before the presentation to the queen. The costumes of the period—the early seventies—lend the play attractive pictorial qualities. Mr. Arliss has presented "Disraeli" over 1500 times which includes one year's run in New York, six months in Chicago and six months in Boston. Mr. Arliss' company includes Ernest Lascelles, Florence Arliss, Margaret Dale, Lella Repton, Lilla Campbell, Vincent Sternoyd, Henry Carroll, Charles Harbury, Arthur Eldred, Clair Bayfield, and others.

There will be matinees on Wednesday and Saturday. The management of the Salt Lake Theatre announce that reservations for seats may be made by mail or telephone.

Monday, October 5th, Joy will make 6 photos for \$3.50 per dozen, and give free a large sepia photo in latest style folder mount, size 11x17. No studio in Salt Lake can make better work at any price. Have your Christ. pictures made now. 3-1t

Adolph Hunger Still Alive

A telegram message from the Judge darcy hospital, just as we go to press, states that Adolph Hunger, Jr. of Lehi, the young man injured on the Interurban Wednesday afternoon, is still in a stupor from which physicians have not been able to arouse him since he was first picked up. The doctors hold out but little hope for his recovery.

BOYS RUN BOYS

John Dickerson and Frank Robinson, two American Fork youths, are wiser by \$100 than they were ten days ago. Guy Frampton operates the motion picture machine for Clark's Opera House, and to get ventilation, leaves the window of his operating room next to the street open while doing so. Thursday night while turning off the last reel, the youths referred to, threw a lighted cigar from the side walk up into the operating room. Frampton kicked it out, when they threw it in again. This time it lit in a box containing a thousand feet of inflammable picture films. Instantly the box was ablaze and the few remaining people in the Opera House rushed out thinking the place afire. Frampton grabbed the blazing films with his hand, threw it on the floor and kicked it out of the open window onto the side walk. In doing so he saved the other reels, but received some bad burns on his hands and arms.

The boys were nabbed by the City Marshal before they could get away. Before being released, the boys gave Mr. Clark what money they had which, with some notes they signed, represented a total of \$100, or \$50 each. This was the value of the film.

THE STORY OF HOG

Four years ago a rancher friend up in Idaho who owns 160 acres of land, bought a sow. The next year a brood of pigs was raised, four of whom was of the same sex as their mother. The following years these five sows produced forty pigs which were distributed in each sex and those of female extraction were kept on the farm for breeding purposes and at the end of the third year, one hundred market hogs were driven off the farm to the railroad loading yards and our friend returned home with a check for \$1,300 in his pocket. This year he has 160 market hogs which he will have ready by autumn and he started in the business only four years ago with one good sow which is still on the ranch producing dollars for her owner. This pig has already brought her owner

\$1600 in cash.

MANILLA NEWS.

Mrs. Christina Johnson is spending the week at Pleasant Grove, guest of Mrs. Maggie Sorenson.

Mr. Edward Jeppson of Manila, and Mr. Joseph Tompaon of Pleasant Grove are home safe after spending a few days in Strawberry Valley, where they went to get some lumber.

Mr. and Mrs. A. L. Yates of Lehi, were guests of Mr. and Mrs. Joseph Anderson Saturday.

Mr. Edward Meredith spent Friday in Alpine.

Mr. A. Holman and Son, Willard, have gone to the reservation on a hunting trip.

Mr. and Mrs. Neph Greenland from Eureka, and Mr. John Greenland from Mohrland, spent Monday with Mr. and Mrs. Joseph Anderson.

Tuesday evening the Y. L. M. I. A. gave a social in the school house. As this is the beginning of their season's work, it was thought best to have a party to bring them all out and get them interested.

Mr. and Mrs. Irving Johnson spent Tuesday in American Fork.

PLEASANT GROVE
HIGH SCHOOL NOTES

The Sophomore class of the High School met Tuesday to elect officers for the new year. Mr. Miller, of the faculty, took charge of the meeting. The following were elected:
Leo Walker—President.
Rebba Cobbly—Vice President.
Vera Thorne—Secretary and Treasurer.
Owen Draper—Class Editor.
Entertainment committee of three—
Edna Holdaway, chairman, Frank Newman, Cora West.

The Freshman class elected officers on Thursday. The results are:
President—Milton Thorne.
Vice President—John Carlson.
Secretary and Treasurer—Cunorah Smith.
Entertainment Committee—Blanche Cullimore, chairman; Florence Harvey, Perrol Kirk.

A very fine set of books to be used as reference works on English Literature. Instead of each member purchasing a volume for his use and possession, the class decided to buy a set and present them to the High School. There are twenty volumes in all, and are probably the best material for High School reference work on English Literature published.

On Friday afternoon a deep laid scheme was put into action by the Seniors. About the hour of meeting their first afternoon class, a cavalcade of twenty, mounted on prancing steeds, rode up to the High School, kidnapped Miss Lee, who seemed not at all unwilling, and rode off in the direction of American Fork canyon. They rode as far as the cave, where a bountiful repast was cooked and served. To fully express the enjoyment of the affair would be impossible.

On Tuesday the Senior class held its election of officers. The following were elected:
President—Arnold Richins.
Secretary and Treasurer—Grace Marrott.

Class Editor—Leone Foutz.
Athletic Manager—Lloyd Cullimore.
Social Committee—Roy Wilson, Clinton Thorne and Rhea Clark.

The "get acquainted" party committees are hard at work on plans for the coming school function to be held October 16th. If their plans carry it will be a big affair.

On Saturday the Sophomores girls entertain the Senior girls on their drive to American Fork canyon. A fine time is expected. The Senior girls, who are the guests of the party are: Attie Westphal, Ora Holman, Rhea Clark, Susie Kirk, Grace Marrott, Edna Foulson, Leone Foutz, Cora Olpin, Martha Johnson, Snyll Aird, Evelyn McBride, Estelle Strange.

Last Sunday the Dramatic club of last year was entertained at the home of Miss Thurman. The pleasure of the evening was marred only by the enforced early departure of four of the party, on accounts of appointments with their—mothers?

Small as the Junior's enrollment was at the first, their numbers are gradually increasing. Each day some of the former students fall in line, and the hope is to have all of the last year's members back.

The Juniors are already busy working out plans for their year-book. The school has never had one before, and the Juniors are only voicing the sentiments of the entire school to have one this year. The entire school, its various classes and activities will be represented. Every student is asked to give his heartiest support to the movement.
